DELIVERY AGREEMENT FORM

We at Broadmoor Landscape Supply strive to provide our customers with prompt delivery. Due to circumstances beyond our control, we cannot provide specific delivery times, but we will make every effort to give parameters of am or pm, however we cannot be held to this.

Delivery parameters:

- Curbside delivery **only**.
- **No** material placement in the garage or the backyard.
- **No** Delivery times.
- **No** return pallet pickup. It is the customer’s responsibility to return all empty deposit pallets to Broadmoor. **We do not pick up pallets.**
- We allow **fifteen (15) minutes** to unload material. After 15 minutes a standby fee of **\$1.50** per minute will be charged until the delivery is complete. **initial**
- Choose materials carefully, a fee of **\$175.00**, as well as a **20% restocking fee** will be charged for pick up of excess material. Please note: Special order, bulk and bagged items are not returnable. **initial**

Curbside delivery is necessary because heavily loaded trucks can easily damage property. Sidewalks and curbs can crack under their weight.

If there is no curbside at the delivery location and the customer requests delivery of materials to a location other than curbside, Broadmoor Landscape Supply, its affiliates, and subcontractors shall be released from all liability including but not limited to:

- Damage to grounds and property
- Loss of income resulting from vehicles being stuck or damaged
- Towing fees and expenses
- Injury to customers, customer’s contractors AND/OR Broadmoor Landscape Supply Employees

I have read the above and understand that the driver for Broadmoor Landscape Supply has determined that the delivery I am requesting may cause property damage. I therefore release Broadmoor Landscape Supply and any of its employees or subcontractors from any liability associated with this delivery
